

# Technical Committee on Robotic Hands, Grasping, and Manipulation

---

Sunwon, 07/28/2017

Dear **Humanoids 2017** Workshop Chair,

It is our pleasure to state the full support of the **IEEE-RAS Technical Committee on Robotic Hands, Grasping and Manipulation** to the workshop entitled “Towards Whole-Body Aerial Loco-Manipulation,” organized by Prof. Matteo Fumagalli, Dr. Daniele Pucci, Dr. Arash Ajoudani, and Prof. Jaeheung Park.

Yours Sincerely,

Hyungpil Moon

A handwritten signature in blue ink, appearing to read 'Hyungpil Moon'.

(on behalf of Matteo Bianchi, Jeannette Bohg, Robert Platt)

*Co-Chair of the Technical Committee on Robotic Hands, Grasping and Manipulation*

Associate Professor

School of Mechanical Engineering, Sungkyunkwan University
